

VEGAN RANGE

Delight your customers by adding our latest vegan desserts to your menu.
Created flavour-first and with all dessert lovers in mind – you won't believe they're vegan!

DestinyFoods

Innovation in patisserie & fine foods

Our expertise

Our vegan desserts are one of our proudest achievements. We start with the basic philosophy that desserts should be a pleasure for all – so our chefs make sure all of our vegan products pack the same incredible flavours and perfect textures as traditional desserts, simply without the eggs and dairy.

Excite customers new and old without compromising on taste. We hear it time after time:
‘You would never know that they’re vegan!’
