VALENTINE'S DESSERT MENU

DestinyFoods

Innovation in patisserie & fine foods

Our Valentine's selection

With diners investing in indulgent 3-course meals for Valentine's day, it's so important to end the evening with a really memorable dessert. Have a look through the delicious products we've picked for a special Valentine's meal for two and try out something new this year. Products will be available throughout February and can still be ordered all year round if they prove a real hit with your customers!

How to order

Have a look through the range and note down your favourites. Our sales team are ready when you would like to order.

About us

Destiny Foods is one of the UK's largest manufacturers and distributors of frozen desserts and specialist patisserie, supplying leading UK groups and independent customers across the hotel, restaurant, pub, travel and leisure sectors.

We are a proud member of La Compagnie des Desserts Group, which brings together the know-how of several artisanal ice cream, pastry and bakery manufacturers across France, Portugal, Spain, and the USA.
